Since 1948, the World News Media Congress is the most important annual gathering of news media leaders. Over three days, the Congress and Forums address the business, journalism, policy and freedom issues facing the industry. A Gala Dinner and a reception offer unmatched networking opportunities for delegates, speakers and partnering technology entrepreneurs. WNMC.21 will see a renewed offering via:

**Golden Pen of Freedom Award**, an annual award made by WAN-IFRA to recognise the outstanding action, in writing or deed, of an individual, a group or an institution in the cause of press freedom. The 2020 laureate is Jineth Bedoya Lima from Columbia.

**World Media Leaders Summit**, a stream for publishers, owners, CEOs and all those invested in building sustainable news organisations.

**The World Editors Summit**, for editors, editorial managers and journalists who put journalism and its freedoms first when leading their newsrooms through challenging times.

**World News Day**, aims to raise awareness of the critical role that journalists play in providing credible and reliable news in the rapidly changing world.

**Women in News Summit**, an invigorating gathering to support WAN-IFRA’s sector-leading initiative to increase women’s leadership and voice in news.

**Digital Media Awards Worldwide**, the news media industry’s only truly global digital media competition. The 2021 winners will come from the winners of our 2020 regional Digital Media Awards.
