World Association of News Publishers
CMS SOLUTIONS DAY

26 Apr • Virtual • 120-150 attendees

An effective CMS solution must focus on maintaining an optimal relationship with your customers and used as a means to link your overall business goals. After a successful inaugural CMS Solutions Day last year, join us again on Apr 26th and learn from experts and solution providers on the steps you need to take when thinking of investing in a new CMS solution in your organization!

Follow the expert discussions on what publishers need to keep in mind when planning for a new content management system in their organization.

NEWSROOM SUMMIT

27-28 Apr • Virtual • 120-150 attendees

Following the CMS Solutions Day, the Newsroom Summit 2022 continues on a virtual platform for 2 days of quickfire virtual presentations and in-depth breakout discussion on editorial strategies for high-performing premium content and leading a newsroom during this continued unprecedented time.

The Summit is maintained as an exclusive meeting point for editors and newsroom managers to discuss and share experiences on transforming their newsrooms.

Join us for inspiration and discussions!

CMS Solutions Day Sponsor:

Choosing and implementing a new CMS can be an intense process that takes years rather than months, and the right CMS and associated integrations can have a huge positive effect on the newsroom and overall digital strategy. It’s more important than ever to understand the state of the market and our CMS Solutions Days save time for publishers and providers by bringing everyone together in a vendor-neutral environment to share real-life case studies and understand the latest developments.

We have 6 slots to offer CMS providers to present a 30-minute case study. Offered on a first-come, first-served basis.

Target Audience

newsroom strategists, managing editors, CDOs, product directors and project managers, editorial consultants
